As per the report of the Engineering Branch placed on table, the above building applications had been scrutinized in technical aspects and the same were found to be in order.

The relevant files are placed before the board.

Resolution:- The Board considered the matter in detail. Smt. Radhika Ramani, DRO, Rep. of District Collector contended that the land in Sy. No. 74, Mahendra Hills is State Govt. property and requested that building applications in respect of layouts situated in that survey number should not be considered. However, records reveal that the said plots are part of authorized layouts sanctioned by the Board several years ago and several structures have come up legally in these layouts. Further, the Vice President and Shri S. Kesava Reddy informed that keeping in view the directions of the Hon'ble High Court on these matters, the building plans were being sanctioned by the Board after obtaining an undertaking that the building sanction shall be subject to the outcome of the pending judicial proceedings. The said position has been apprised to the DRO that the Cantonment Board as a municipal body cannot enquire into the title beyond a certain point especially when the matter is sub-judice and has no option but to comply with the judicial orders.

The Board approved the following Building Applications:

The DRO further observed that the plans from Sl. No. 35 to Sl. No. 52 are situated on land claimed by the State Government and the revenue authorities have an objection in approving these plans. She informed that the hearing regarding the same is pending before the revenue authorities and scheduled to be heard on 06th June, 2018. The Vice President and elected member Shri. S.Kesava Reddy, countering the claim of the representative of the District Collector informed that the layout had been approved by the Cantonment Board a decade ago after taking the clearance/views of the Revenue authorities who clearly indicated the developers of the layout as possessors and pattadars as per the revenue records. They argued that the revenue authorities cannot now make a U-turn at such a belated stage after third parties have invested their hard earned money to purchase plots in the said layout. They have also drawn attention of the DRO to several court orders on the same layout wherein the Hon'ble High Court has given directions to the Board to consider the building applications in the said layouts in GLR Sy. No. 243 and to release the plans wherever the Board has sanctioned and delayed the release of plans. The CEO informed that the unsettled and occasional claims of the State Govt have resulted in avoidable litigation to the Board in this case and further read out the gist of the Court Orders in this regard. After prolonged discussion, it was resolved to approve the building plans and the PCB further directed that the release of building plans at items from Sl. No. 35 to Sl. No. 52 may be pending till 6th June 2018 i.e the scheduled date of hearing as informed by the DRO. They shall be released if there is no adverse order to the applicants as far as title is concerned.

The Board resolved to approve the building applications under section 235 of the Cantonments Act, 2006 subject to condition that the plan will be released only after Rain Water Harvest Pits are made in the plots and if no objection with regard to involvement of defence land or State Govt. property or disputed property is received within one week. CEO shall release the plinth sanction only as resolved under CBR No. 12 dated 07th August 2013. On satisfactory completion of plinth, rest of the building plan will be cleared.

The sanction for erection of the building shall be available for two years from the date of issue. If building so sanctioned is not begun within the period, the sanction will lapse. The date of commencement shall be reported / intimated to the Board and completion certificate shall be obtained.

The erection as per plan shall be completed within the period of one year from the date of its commencement. The plan should be adhered to absolutely in every respect. The sanction is Municipal sanction only and is without prejudice to anyone else's right on or to the land. The date of completion shall be reported as required under section 242 of the Cantonments Act, 2006. The sanction will be subject to receipt of NOCs from concerned authorities.

CATEGORY – UN-GIFTED

[08] To consider the building notices received under section 235(1) of the Cantonments Act 2006 from the following applicants for erection of Building on Plot / Survey Numbers in colonies mentioned against each.

The building plans are in accordance with the building byelaws and FSI restrictions. The site in each case is situated outside notified civil area classified as B-2 land as per the GLR maintained by the DEO, A P Circle, Secunderabad.

The layout of these colonies was sanctioned after 1974 and the societies have NOT handed over 40% open area for civic and other amenities to the Cantonment Board, Secunderabad by a way of Registered Gift Deed as per the byelaws.

As per the decision of the Board in its meeting held on 04th November 1997, No Objection Certificate from Airport Authority of India has not been insisted in such cases where construction of only Ground Floor is involved.

The Board resolved to approve the building applications under section 235 of the Cantonments Act, 2006 subject to condition that the plan will be released only after Rain Water Harvest Pits are made in the plots and if no objection with regards to involvement of defence land or State Govt. property or disputed property is received within one week. CEO shall release the plinth sanction only as resolved under CBR No.12 dated 07th August 2013. On satisfactory completion of plinth, rest of the building plans will be cleared.

The sanction for erection of the building shall be available for two years from the date of issue. If building so sanctioned is not begun within the period, the sanction will lapse. The date of commencement shall be reported / intimated to the Board and completion certificate shall be obtained.

The erection as per plan shall be completed within the period of one year from the date of its commencement. The plan should be adhered to absolutely in every respect. The sanction is Municipal sanction only and is without prejudice to anyone else's right on or to the land. The date of completion shall be reported as required under section 242 of the Cantonments Act 2006. The sanction will be subject to receipt of NOC from concerned authorities.

The Board further noted the error in serial numbering on the agenda side wherein immediately after Sl. No. 8, Sl. No. 16 has been printed and resolved to rectify the same to be numbered sequentially. CEO to carry out correction accordingly in the agenda and resolution.

The above approval will be subject to verification of requisite NOCs from DEO, SEMO and Airports Authority by the CEO.

The Elected Board Members Shri Keshava Reddy and Shri J Maheshwar Reddy brought to the notice of the rep. of District Collector that the views from the NOC committee are getting delayed by several months due to which the Board Meetings are also getting delayed and building plan sanctions are not getting processed quickly. They requested her to ensure that the reference cases

are handled on priority especially in view of the fact that such references are made by the Board in the interest of State Govt despite the fact that there is no requirement in the Cantonments Act. The PCB also directed that the NOCs should be speeded up in the interest of ensuring timely processing of building plan sanctions.

The Vice President while emphasizing the initiative of the CEO to speed up the process of building plan sanction by way of personal inspection requested that the applications which are referred to revenue authorities, SEMO, DEO should be processed in a reasonable time say one month. While acknowledging the fact that several checks have to be conducted by various agencies which takes a long time, he requested that a procedure should be established wherein the Engineering Department shall process the cases and observations be communicated to the applicants within a month. The CEO informed the Board that while such systems are already in place the suggestions of the VP are well taken and such systems would be strengthened to ensure timely processing of cases.

SANCTION OF BUILDING PLANS IN MAHENDRA HILLS INVOLVING '0'
HEIGHT CLEARANCE OF THE AIRPORTS AUTHORITY OF INDIA

Ref: 1) CBR No. **9(3)** Dt: **30-10-2017**, 2) CBR No. **18(2)** Dt: **26-07-2016** &
3) CBR No. **28** Dt: **13-06-2017**.

[11] To consider the following building plans submitted in Mahendra Hills where the Airports Authority has issued '0' height in response to their NOC application submitted to the National Airports Authority. The plans are in accordance with the building byelaws and FSI norms.

S. No	NAME	LOCATION	FLOORS	PLOT AREA	CATEGORY
1.	1. SHRI S MOHAMMED AIJAZ 2. SMT S. MARYAM BIBI	P.No. 79, SY. No: 74/8, DHANALAXMI CHS, EAST MARREDPALLY, MAHENDRA HILLS, SEC'BAD CANTT.	GROUND FLOOR	333.33 SQ.YDS	GIFTED
2.	SHRI B. CHANDRA SEKHAR	P.No. 232, SY. No: 74/6, BALAMRAI CHS, EAST MARREDPALLY, MAHENDRA HILLS, SEC'BAD CANTT.	CELLAR & GROUND FLOOR	324.44 SQ.YDS	GIFTED
3.	SHRI R. VIJAYA KUMAR	P.No.193, SY.No.74/6, BALAMRAI CHS, MAHENDRA HILLS, EAST MARREDPALLY, SEC'BAD CANTT.	CELLAR & GROUND FLOOR	324.44 SQ.YDS	GIFTED

In this regard the details, status of the Court Cases and orders of the Hon'ble High Court on the issue sanctioning building plans up to ground floor though NOC is rejected by the Airports Authority are placed on table along with above referred CBRs and relevant documents.

Earlier the Board has considered such building applications and approved the plans up to Ground Floor only where the National Airports Authority issued '0' height clearance keeping in view of various High Court Orders passed periodically in (1) WP.No.32468 of 2016 Dt: 23-09-2016, (2) WPMP No.42782 of 2013 & (3) WP.No.34370 of 2013. However it is noticed that in some cases the applicants are not adhering to the approved plans due to which the field staff had to continuously undertake enforcement action by stopping and removing the unauthorised structures. Such violations tend to mar the intention of public interest driving the decision of the Board.

Resolution:- Matter discussed in detail. Smt. Radhika Ramani, DRO, Rep. of District Collector contended that the land in Sy. No. 74, Mahendra Hills is State Govt. property and requested that building applications in respect of layouts

situated in that survey number should not be considered. However, records reveal that the said plots are part of authorized layouts sanctioned by the Board several years ago and several structures have come up legally in these layouts. Further, the Vice President and Shri S. Kesava Reddy informed that keeping in view the directions of the Hon'ble High Court on these matters, the building plans were being sanctioned by the Board after obtaining an undertaking that the building sanction shall be subject to the outcome of the pending judicial proceedings. The said position has been appraised to the DRO that the Cantonment Board as a municipal body cannot enquire into the title beyond a certain point especially when the matter is sub-judice and has no option but to comply with the judicial orders.

The Board approved the following buildings only for construction of up to Ground floor:

S. No	NAME	LOCATION	FLOORS	PLOT AREA	CATEGORY
1.	1. SHRI S MOHAMMED AIJAZ 2.SMT S. MARYAM BIBI	P.No. 79, SY. No: 74/8, DHANALAXMI CHS, EAST MARREDPALLY, MAHENDRA HILLS, SEC'BAD CANTT.	GROUND FLOOR	333.33 SQ.YDS	GIFTED
2.	SHRI B. CHANDRA SEKHAR	P.No. 232, SY. No: 74/6, BALAMRAI CHS, EAST MARREDPALLY, MAHENDRA HILLS, SEC'BAD CANTT.	CELLAR & GROUND FLOOR	324.44 SQ.YDS	GIFTED
3.	SHRI R. VIJAYA KUMAR	P.No.193, SY.No.74/6, BALAMRAI CHS, MAHENDRA HILLS, EAST MARREDPALLY, SEC'BAD CANTT.	CELLAR & GROUND FLOOR	324.44 SQ.YDS	GIFTED

The PCB impressed upon the elected members that the sanction for ground floor is being given on empathetic grounds and the elected members are responsible for educating the public about the same and ensuring that if the sanction is given for ground floor only, no further unauthorized/illegal construction shall be carried out failing which the Board will be constrained to review its decision.

The Board resolved to approve the building application under section 235 of the Cantonments Act, 2006 subject to condition that the plan will be released only after Rain Water Harvest Pits are made in the plots and if no objection with regards to involvement of defence land or State Govt. property or disputed

property is received within one week. CEO shall release the plinth sanction only as resolved under CBR No.12 dated 07th August 2013. On satisfactory completion of plinth, rest of the building plans will be cleared.

The sanction for erection of the building shall be available for two years from the date of issue. If building so sanctioned is not begun within the period, the sanction will lapse. The date of commencement shall be reported / intimated to the Board and completion certificate shall be obtained.

The erection as per plan shall be completed within the period of one year from the date of its commencement. The plan should be adhered to absolutely in every respect. The sanction is Municipal sanction only and is without prejudice to anyone else's right on or to the land. The date of completion shall be reported as required under section 242 of the Cantonments Act 2006.

The Board further resolves that permission for construction up to ground floor only be accorded in all the above cases as per directions of the Hon'ble High Court in similar matters. No portion of the cellar will be above the level of the ground. Further the sanction letter should clearly state that the sanction would be subject to outcome of the Writ Appeals filed by the Airports Authority of India and that the Board shall not be liable to pay any compensation in case the construction would need to be removed/demolished in case of any such directions by the Hon'ble High Court. An undertaking be obtained to this effect from applicants of all such cases before release of building plans.

COMMUNITY HALL / READING ROOM / LIBRARY

[12] (a) To consider the Building Plan Application vide letter dated 22.07.2016 received from J Rama Murthy, General Secretary Chandragiri Co-Op Housing Society, Plot No. 22, Chandragiri Colony, near RTA Office, Trimulgherry, Secunderabad, requesting to accord permission for construction of community hall on 40% Open land i.e., park land in Sy. No. 55, Chandragiri Co-Op Housing Society, near RTA Office, Trimulgherry, Secunderabad Cantonment, which was gifted to the Cantonment Board by way of Gift Deed.

As per the report of the Engineering Branch the layout of Chandragiri Co-Op Housing Society in Sy.No.55 (Chandragiri Colony) near RTA Office, Trimulgherry was sanctioned by the Cantonment Board vide CBR No.28 (iv) dated: 19-12-1983.

Hence it is recommended that the Board may accord permission to the society for construction of Community Hall with their own expenses on 40% park land in Chandragiri Co-Op Housing Society in Sy.No.55, Chandragiri Colony, near RTA Office, Trimulgherry as per the usual terms and conditions.

The relevant papers are placed before the Board.

Resolution:- Considered and approved.

[12] (b) To consider the application submitted by P&T Colony Residents Welfare Association, Sy.No.160, P&T Colony situated at Thokatta Village, Secunderabad Cantonment Rep. by its President, Shri T. Hanuman Chowdary for construction of Community Hall cum Office Building in the said Colony of 40% Open Land in approved layout of P&T Employees Co-operative Housing Society Ltd.

As per the report of Engineering Branch the said layout was sanctioned vide CBR No.32 dated 27.01.1984 confirmed by the Director Defence Estates, Ministry of Defence, Southern Command, Pune vide Letter No.304/NCA/X/DLE dated:12-03-1984. The said piece of open land measured 2604.24 Sq ft or 289.36 Sq Yds is part of 40% Open land of the said layout.

The relevant papers are placed before the Board.

Resolution:- Considered and approved.

[12] (c) To consider the application submitted by Shivaramakrishna Colony Welfare Association, West Marredpally, Secunderabad Cantonment Rep. by its President, Shri Prasad V Sivalenka, for construction of Community Hall in the said Colony of 40% Open Land in approved layout of Shivaramakrishna Colony Welfare Association, West Marredpally.

As per the report of Engineering Branch the said layout was sanctioned vide CBR No.3(4) dated 05.04.1976. The said piece of open land measured 1584 Sq. ft. or 176 Sq. Yds is part of 40% Open land of the said layout.

The relevant papers are placed before the Board.

Resolution:- Considered and approved.

[12] (d) To consider the application submitted by PAO (ORS) AOC (Venkataram Nagar) Welfare Society in Sy.No.157/8 situated at Thokatta Village, Secunderabad Cantonment represented by its Secretary S.J. Ram Singh for construction of reading room/library in the said Colony of 40% Open/Park land i.e., Plot No.8 beside surrounded by two side road. The said piece of open land measured $(1 \times 27 - 0 + 40/2) \times 50 = 1675$ Sq ft or 186.11 Sq Yds is part of 40% Open land of the said layout. The proposed construction of reading room / library $1 \times 18' - 9" \times 38' - 6"$ = consisting of Ground Floor only i.e., 721.87 Sft the said layout is sanctioned vide CBR No.1(C-35) Dated: 30-11-1979 and the 40% area. The society has not handed over 40% open area.

The said piece of 40% open land the Cantonment Board has constructed a boundary wall for protection of 40% land. Now the Secretary of the society has submitted an application for permission to construct a reading room library in the existing vacant land for the benefit of senior citizens, welfare of colony people and children's library in the said premises.

Relevant file is placed before the Board.

Resolution:- Considered and approved.

After the discussion on the agenda point, Shri. Lokanatham, Elected Member from Ward No. 8 informed the Board that due to paucity of funds with Board, the progress of construction of Community Hall at Risala Bazar, Bolarum regarding construction of Community hall/reading rooms is slow. He impressed upon the Board that it is a long pending demand from the citizens of Ward No. 8 as they do not have any other Community Hall in the vicinity. The Vice President intervened and mentioned that they are requesting funds from various MLA, MLC & MPs for additional funds for the said project. The CEO informed that though on paper funds have been allotted from MLA & MP LADs only an amount of Rs. 15 Lakhs has till now been received. The PCB informed that the said project will be given the top most priority subject to availability of funds.

[13] To consider the reply received from Tauluva Samaj of Shri Krishna Temple Mutt in Sy.No.74/7, Mahendra Hills, Dhanalakshmi Colony, East Marredpally, Secunderabad Cantonment to the clarifications sought by the office as per the decision contained in CBR No. 23 dated 13.6.2017. However, the president, Dhanalakshmi Co-operative Housing Society has not replied to the letter asking them to submit explanation as how the Temple construction in 40% open land came up and was allowed to continue. The reply received from the Tauluva Samaj is placed before the Board along with connected documents for further decision on the matter.

Resolution:- The matter was discussed in detail and the Board noted that the Taulava Samaj has reiterated its submissions that no new construction was carried out by them and that the temple is not a part of 40% open land in the Dhanalakshmi Cooperative Housing Society. The temple authorities further submitted that the Dhanalakshmi Cooperative Housing Society has fraudulently projected the temple land as part of 40% vacant land for their own benefit and that the temple existed since ages. They further argued that the temple and its land are not amenable to Cantonment laws, but however they have undertaken to seek permission of the Cantonment Board to carry out repairs and renovation

as required from time to time. The temple authorities pleaded for consideration of their case on humanitarian grounds and in the interest of public.

The Board further noted the fact that the President, Dhanalakshmi Cooperative Housing Society has not submitted any reply to the clarifications sought by the office on the existence of temple and its construction. The contention of the Tauluva Samaj on the non-application of Cantonment Laws to their structures is found to be totally unacceptable as the Cantonment Board is the Municipal body regulating the construction activities in the Cantonment area and nobody is above law. It is further noticed that the contention regarding the existence and location of temple even before the layout is formed and approved by the Board requires to be verified through a ground survey of the area and the lay out plans. There also appears to be some confusion regarding the plot numbers and their location. The Board therefore resolved that a survey should be carried out by the Board officials in the presence of reps of Dhanalakshmi Cooperative Housing Society and Shri Krishna Temple Mutt authorities with the help of DEO staff if required. Matter will be considered for decision on receipt of the survey report.

BUILDING APPLICATION

[14] To consider the building application submitted by Shri E.B. Rajender & Shri G.K Yadagiri for construction of first floor and part of second floor on existing ground floor buildings in Plot No.32, Balamrai CHS (Vivekananda Colony), Bollaram, Secunderabad Cantonment. As per the records, Cantonment Board has earlier approved two separate building plans for construction of two ground floor buildings submitted by Shri GK Yadagiri and Shri E B Rajender who have divided the plot amongst themselves without any sub-division. The building Plans were approved vide CBR No.3(4-40) dated: 01-07-1994 (Northern side portion of the plot and vide CBR No:3(2-1) dated:26-10-1996 (Southern side portion of the plot). Shri EB Rajender and Smt. G. Pochamma W/o late Shri GK Yadagiri both have now submitted building plans requesting for construction of First and Second Floors on the existing Ground Floor on PlotNo.32, Balamrai CHS, Bollaram. As per the technical report, the proposed construction falls within the FSI limits and building byelaws.

The relevant file is placed on the table.

Resolution:- The Board discussed the matter in detail. The Board noted the fact that the Board has approved the building plans of the existing structures and it is noticed that subdivision of the subject plot was neither sought nor approved in the past. However, in view of the submission of the applicants that they intend to obtain the approval for construction of first and part of second floor as permissible within the FSI limits and as per the building bye laws, it would be in the fitness of background and facts of the case that the building applications be

approved by obtaining an undertaking that neither of the applicants will physically sub divide the plot as the same would not be feasible under the existing layout of Balamrai Cooperative Housing Society plan as approved by the Board.

SUB-DIVISION OF PLOT

[15] (a) To consider the revised sub-division of Plot application dated: 25.04.2018 received on from 1.Shri Miduthuri Prabhakar requesting permission for sub-division of Plot No.24 & 25 in Sy.No.252 to 256 & 257, Telecommunication Employees CHS Ltd(Sancharpuri Phase I) Chinna Thokatta Village, Bowenpally, Secunderabad Cantonment.

The applicant re-submitted the proposed Sub-division of the above Plots by clubbing two plots and dividing into Three (3) parts i.e., Plot No.24 (280.00 Sq.yds), Plot No.25 (320.00 Sq.yds), Plot No.25/1(280.00Sq.Yds). Hence the plan can be considered for approval of Revised Sub-division.

Previously the above proposal was returned vide this Office Lr.No.143/1006 dated 23.04.2018 for submission of revised layout through the Co-operative Housing Society. But the applicant has submitted the proposal stating that the Society is not functional and became defunct and enclosed NOC from Residential Welfare Society and requested grant permission for the above sub-division.

The proposals are not contrary to layout bye-laws. The layout of this Colony has been sanctioned vide Cantonment Board Resolution No.46-C(27) dated:30.04.1981. The details of sub-division are as under:

EXISTING PLOT NO. & AREA	PROPOSED PLOT NO. & AREA
Plot No.24: 480.00 Sq.Yds	Plot No.24, 280.00 Sq.Yds
Plot No.25: 400 Sq.Yds	Plot No.25, 320.00 Sq.Yds
	Plot No.25/1, 280.00 Sq.Yds
Total area: 880.00 Sq.Yds	Total area = 880 Sq.yds

The relevant file is placed before the Board.

Resolution:- Considered and approved.

[15] (b) To consider a building application dated 24-01-2018 received on 24-01-2018 from Shri A.L. Ananthanarayanan requesting permission for sub-division of Plot No.14, in Sy.No.157/4, situated at Wahab Nagar Co-operative Housing Society Ltd., Thokatta, Sikh Village, Secunderabad Cantonment.

The proposals are not contrary to building bye-laws.

The layout of this Colony has been originally sanctioned vide Cantonment Board Resolution No. 17 dated: 11.05.1974 and the Board further revised the sanction vide CBR No. 2(11) dated: 05.06.1990.

EXISTING PLOT NO. & AREA	PROPOSED PLOT NO. & AREA

As per the report of the Engineering Branch placed on table, the above building application has been scrutinized in technical aspects and the same was found to be in order.

Relevant file is placed before the board. The Board may consider and resolve accordingly.

Resolution:- The matter was deliberated at length. The rep. of Collector Smt. Radhika Ramani, informed that items at Sl. No. 1 & 2 have been considered by the NOC committee and the NOCs have been rejected. On being questioned about the reasons she mentioned that it has been clearly mentioned in the rejection letter that the subject land is claimed by endowments department and status quo orders have been given by the Hon'ble High Court in WP No. 21538/2012 wherein the Hon'ble High Court had directed the predecessors in title that the nature of the said land shall not be changed. Further she mentioned that the said piece of land falls in Sy.No.75 of Thokatta Village and pahani 1972-73 Col.No.2 is recorded as "Ramagundam Hanuman Mafi Dasthagardhan" and Col.No.11 is recorded as "Venkataramaiah Pujari" and Col. No. 16 is recorded "Swantham". Considering the issues the Board decided to pend the matter till clarifications on the same are received.

Since there were no observations on item at Sl. No. 3, the Board resolves to sanction the said building plan mentioned below after delineating the Cantonment Fund toilet building existing on ground and accordingly making the requisite amendments to the plan.

ANNUAL MEDICAL INDENT

[28] To consider and approve the Annual Medical indent for the year 2018-2019 of the Cantonment dispensaries & Cantonment General Hospital.

The relevant file is placed on the table.

Resolution:- Considered and approved the annual medical indent for the year 2018-19. The Board resolves that the CEO may incur expenditure as and when required within the budgetary provisions.

The CEO also informed that he is exploring the possibility of bringing in more E-Vaidya Centres through the State Govt to benefit the poor and needy in

various places in the Cantonment. The PCB and members welcomed the idea and authorised the CEO to take further necessary action in this regard in the same lines as has been done in case of Rasoolpura dispensary. Requirements of infrastructure and personnel may be arranged or redistributed by the Chief Executive Officer as per necessity.

The PCB at this stage expressed his disappointment that the assurance given by the Hon'ble Minister for Health, Medical Education and Family Welfare, Government of Telangana, regarding establishing maternity and emergency services in Sardar Vallabhai Patel Cantonment General Hospital is yet to fructify. The Hon'ble MLA, Hon'ble MP & Elected Members have assured the PCB that they will co-ordinate with the Health Department and ensure that the promise turns into reality.

Building Plan applications from Santosh Society in Mahendra Hills

[29] The Vice President informed the Board that several applications from Santosh Society have been returned unactioned to the applicants due to the reason that the infrastructure which was built up by the society like roads and drains have been badly damaged due to passage of time and disuse. He informed the Board that after many years the plot owners are now coming forward to construct houses and are therefore submitting building plan applications. He informed that the society has informed him orally that they would do up the drainage system and street lights completely out of their own funds as they are minimum requisites for consideration of building plans. He informed that the society is also willing to contribute towards construction of roads wherever damaged or washed away.

The Board considered the matter in detail and resolved that subject to the society giving such an undertaking the CEO may consider bringing the plans for consideration in the Board.

[30] The Hon'ble Shri. Malla Reddy and Hon'ble MLA Shri. Sayanna raised the issue of opening of roads in the Cantonment and the policy directions regarding closure of roads in Cantonment areas. The CEO informed the Board regarding detailed guidelines as enunciated in Govt. of India, Ministry of Defence order dated 28.05.2018. While thanking the LMA for opening majority of the roads the Hon'ble MP & MLA and VP requested that the remaining two connecting roads on Rajiv Rahadari should also be opened for public. They requested that in case of any security concerns or issues the matter may be discussed on ground with the public representatives and an amicable solution should be arrived at. The PCB informed that the suggestion would be taken up with the appropriate authority and a solution will be worked out keeping the stakeholders in picture.

[31] The Vice President and Member from Ward No. 7 Smt. P Bhagyasree raised the issue of beautification of Trimulgherry Lake in Secunderabad Cantonment. They requested that though the lake is under the management of the State Government, the Board, may undertake the lake improvement work. The CEO informed that he has already taken up the matter with HMWS&SB to prepare the requisite drawings and estimates after detailed technical study to find out the best way to achieve the goal of clean Trimulgherry Lake. The Vice President informed that once the said estimates are made ready, he would take up the matter with the State Government officials and get the requisite funds with the help of the good offices of Hon'ble MP & Hon'ble MLA.

[32] The member from Ward No. 3, Smt. B. Anitha, gave a representation to the PCB observing that the water supply cycle in various areas of Ward No. 3 is ranging from 3 to 5 days and alleged that the water supply department is deliberately mismanaging the supply in Ward No. 3.

The CEO informed that despite the severe financial crisis, the Board is drawing additional water from HMWS&SB to cater to the requirements of the public. He further informed that all wards are being treated equally and water supply complaints/requirements are being attended to with same urgency. Due to maintenance shut down for a couple of days recently, the supply cycles have been effected which has now returned to normal stage. It is also noted that out of a total of 7876 additional water connections given in the Cantonment in the last two years, 5957 numbers are from Ward No. 2 & 3 respectively. This being the case the CEO informed that the allegations are unfortunate and on the request of PCB he assured that he will try and resolve the issue raised by the concerned member from Ward No. 3 and the complaints made from the side of department against the elected member to smoothen out any rough edges. The members welcomed the suggestion.
